ARTSY TALK

Tailored for both potters and craftsmen, this 1:1 one hour call caters to those seeking:

- Expert insights to pinpoint strengths, weaknesses, and how to accentuate the former.
 - Be able to make the best use of your workspace to photograph your objects.
 - Practical guide to improve product photography skills and create your own set, using natural light.
-

Here's what the package includes:

1. Constructive Feedback:

- Benefit from constructive feedback that goes beyond strengths and weaknesses, offering actionable suggestions for refining your artistic approach and enhancing your craft

2. Workspace analysis:

- Careful study of the space where you usually photograph your products, what's around you and the natural light at your disposal

3. Education and Training:

- Guidance on how to create your own set and photograph your work effectively with natural light

4. Personalized Q&A:

- Dedicated section where you can ask two personalized questions, allowing you to delve deeper into areas that matter most to you
